Academic appointments

2023 - present	Professor Department/School of Psychology, University of Waterloo, Canada
2017 - 2023	Tenured Associate Professor Department of Psychology, University of Waterloo, Canada
2012 - 2017	Assistant Professor Department of Psychology, University of Waterloo, Canada

Education

2012	Ph.D., Social Psychology, University of Michigan Supervisor: Richard E. Nisbett
2009	M.S., Psychology, University of Michigan Supervisor: Richard E. Nisbett
2005 - 2006	Study-abroad student, University of Michigan
2004	Vordiplom (B.S. equivalent), Psychology, Albert-Ludwigs-Universität Freiburg, Germany

Research interests

My research examines how people and societies navigate uncertainty, how cultural and relational contexts shape sound judgment, and how AI systems can model, measure, and support these capacities. Current work spans wisdom and metacognition, cultural change and societal forecasting, and human-AI cognition and alignment. I combine experiments and large multi-country studies with archival time-series analysis, forecasting tournaments, natural language processing, and large language models.

Selected major honours and elected distinctions

2026	Humboldt Research Award, Alexander von Humboldt Foundation, Germany
2023	Elected Member of the College, Royal Society of Canada
2022	Fellow, Society for Personality and Social Psychology (SPSP)
2019	Joseph B. Gittler Award, American Psychological Foundation
2019	SPSP SAGE Young Scholar Award
2018	USERN Prize (Social Sciences), Universal Scientific Education and Research Network
2015	Rising Star Award, Association for Psychological Science
